Equipped to provide exhibitors with full display services, they will maintain a complete service centre in the Metro Toronto Convention Centre at the time of the show.

They will provide:

- Furniture, accessories and other rentals.
- Signs - they will order on-site signs from the sign shop, but it is best to order well in advance.
- A complete service to exhibitors, including fully equipped pre-fab booth set-ups.

Arrangements can be made to have your booth installed by Freeman Decorators. In this way an exhibitor may have his booth erected and ready for operation before his personnel arrive at the show.
