

**2010 National Trade Show & Learning Forum**

## Present to the Mechanicals Industries from the "CMX-CIPHEX 2010 Stage" right on the show floor

Your company can reserve the On-show floor theatre, showcase your new technology, products and ideas to the entire industry. All you need to get started is the presentation and materials (if required), the rest is provided free of charge for all exhibitors to participate.

Contact Lorraine to book your 30 minute segments throughout the show and bring your company to the fore front of the industry!
