

**CMX-CIPHEX 2012** has adopted a strict policy of **not allowing the use of cameras, video or recording devices of any type on the show floor** by either visitors to or exhibitors in the show. This policy is required to prevent Industrial Espionage and Counterfeit Manufacturing.

## **NO EXCEPTIONS WILL BE ALLOWED**

- 1) Exhibitors may receive permission to have their own show display photographed, but this must be done by the official show photographer.
- 2) Any person(s) breaking these rules will be asked to surrender any images and leave the show floor. Exhibitors should read Rule 16 (Rules & Regulations) concerning show conduct.
